

The **My Cinema Disney Pixar's Toy Story 4 New Zealand Road Trip Adventure** has been won by **Kaden Coyle** from Western Australia. Kaden, 5 years old, went to the family's local cinema, Grand cinemas Currambine with his mum and dad and 7-year-old brother to see Disney Pixar's *Toy Story 4*. Where they also entered to win the New Zealand adventure.

Scott Coyle said "This is awesome. Me and my partner have watched every Toy Story movie since we were kids and were excited to take our boys. It was a great night out!"

Todd Stiles Operations Marketing Manager of Grand Cinemas said "Grand cinemas couldn't be happier for one of our customers wining such an incredible prize.

Everyone at Grand cinemas hopes Scott and his Partner have a memorable time in New Zealand as they have watching the Toy Story films"

The Coyle family will head to New Zealand for a road trip to remember!

First pitstop - the Christchurch Adventure Park Zipline. Next they will travel south to Wanaka, where they can witness how big the world can be with views of snowcapped mountains, beech forests and alpine lakes. Just outside the town is the outdoor maze and sculpture gallery of Puzzling World, which for over forty-five years has been puzzling minds no matter what age!

Then they will hop onboard the Skyline Gondola and travel suspended in the air to the top of Bob's Peak. Take in the 220-degree views of Queenstown, Coronet Peak, Lake Wakatipu and surrounding mountain ranges of this picturesque town. After disembarking, jump into a luge and wind the way down either the scenic or, for the thrill seekers, the steeper advanced track.

The total prize valued up to \$14,000, the major prize for four includes:

- Economy flights from winners nearest capital city to Christchurch returning from Queenstown
- 6 days self-drive RV hire includes excess reduction, chairs, table, additional driver

About the film

Woody (voice of Tom Hanks) has always been confident about his place in the world, and that his priority is taking care of his kid, whether that's Andy or Bonnie. So, when Bonnie's beloved new craft-project-turned-toy, Forky (voice of Tony Hale), declares himself as "trash" and not a toy, Woody takes it upon himself to show Forky why he should embrace being a toy. But when Bonnie takes the whole gang on her family's road trip excursion, Woody ends up on an unexpected detour that includes a reunion with his long-lost friend Bo Peep (voice of Annie Potts). After years of being on her own, Bo's adventurous spirit and life on the road belie her delicate porcelain exterior. As Woody and Bo realize they're worlds apart when it comes to life as a toy, they soon come to find that's the least of their worries. Directed by Josh Cooley ("Riley's First Date?") and produced by Mark Nielsen (associate producer "Inside Out") and Jonas Rivera ("Inside Out," "Up"), Disney and Pixar's "Toy Story 4" ventured into cinemas on June 20, 2019.
