*Wonder Park* tells the story of a magnificent amusement park Wonderland where the imagination of a wildly creative girl named June comes alive! Now you too can experience your own magnificent amusement park just like June and her talking animal friends.

The film features the local casting of Nova's Fitzy & Wippa who voice the fast-talking, hyperactive beaver brothers, Cooper & Gus, the 'fix-it' duo of the park who make sure everything works just right.

This is the first time the breakfast radio duo have taken on voice roles within a film and were excited to be involved. "We've always thought we'd make two great beavers and then all of a sudden *Wonder Park* comes along and as it turns out, we nailed it." - Fitzy & Wippa
